

METCALFE ROAD – LEVEL CROSSING UPGRADE

December 2024

Dear neighbour,

KiwiRail will be upgrading the level crossing on Metcalfe Road, Ranui over the Christmas block of line.

There will be various works on this site, including vehicle and pedestrian crossing upgrades, alongside track works.

There will be a 24/7 road closure from 6am Friday 3 January – 6 pm Saturday 11 January for motorists and pedestrians. See below green highlighted section to indicate the road closure.

Pedestrian access over the level crossing will remain closed until 6pm 22 January. Pedestrians will be redirected to cross via Ranui Station.

There will also be an additional one lane road closure from 6am 21 January- 6pm 21 January.

Traffic Management will be in place and Variable Message Sign (VMS) boards will provide advance notice to commuters two weeks prior to the work beginning. Access for residents will remain throughout. While the level crossings are closed detours will be in place, so please follow the signage.

Please exercise caution in this area, as there will be an increased presence of machinery and trucks.

Wherever we can, we aim to minimise disruption by planning the noisier work for during the daytime. Our staff and contractors are mindful of our rail neighbours and will work hard to minimise any disturbance to get this essential work done.

Work area
