

PARNELL RAIL BRIDGE WORKS

November 2024

Dear neighbour,

KiwiRail will be undertaking work on the rail bridge at Ronayne Street on Friday 3 January to Sunday 12 January between the hours of 6am and 6pm each day.

Thank you for your on-going patience as we continue to undertake maintenance and upgrade works on the rail tracks near your property.

What we are doing:

Teams will be undertaking the replacement of sleepers on the Ronayne Street rail bridge.

We will use a hi-rail digger to lift the rail and remove the old sleepers. Then, we'll install new sleepers and place the rail back in place. A tamper will then travel over this section to compress the infrastructure back into place.

Teams will complete this work during day shifts between 6am-6pm from Friday 3 January to Sunday 12 January.

How this affects you:

There will be noise from heavy machinery and vehicles moving around and along the rail corridor.

There will also be a full road closure of Ronayne Street for the duration of these works. Residents will be assisted by traffic management staff to access their properties while the road closure is in place.

Our staff are mindful of our rail neighbours and will work hard to minimise any disturbance to get this essential work done as quickly and quietly as possible. However, despite their best efforts, this work may cause you some disturbance from machinery and vehicles moving on site. We apologise for any inconvenience in relation to the traffic detour and our work.

Please see overleaf for a map which shows where the work will be taking place.

Upcoming Dates

Friday 3 January – Sunday 12 January

**Construction works:
6am – 6pm daily**

**Full road closure of Ronayne
Street: 24/7**
